## Service information

# Head to Toe: Hair Loss and Pampering Service

Making life easier for you

Marie Curie Hospice,  
Newcastle

## What is Head to Toe Hair Loss and

### Pampering Service?

If you are facing hair loss or have lost your hair due to cancer treatment we can show you how specialised headwear can be an alternative to wigs. You can try on a range of headwear to see what suits you. Even better, if you decide to buy you can take it away the same day.

For a well-deserved pampering you can also try a complementary therapy. People often comment on the beneficial effects of complementary therapies for relaxation and an enhanced sense of well-being.

### Who is the service for?

The service is for people who are facing hair loss or who have lost their hair following cancer treatment.

### How can we help you?

You will be able to:

- try on and buy headwear including hats, scarves and hairpieces specially designed for people with hair loss
- learn a range of scarf tying ideas and how to make the most of headwear as an alternative to wigs
- sample a relaxing complementary therapy such as aromatherapy, massage, Indian head massage, reflexology or reiki

Our volunteers offer practical support in a friendly atmosphere and comfortable surroundings. Your privacy is guaranteed.

### Do I need to pay for the service?

No, the service is completely free. You only pay for the headwear.

### Who delivers this service?

Our team of professionally trained Marie Curie volunteers, some with personal experience of cancer and hair loss, can support you.

### How can I join?

The service takes place on Friday mornings. To book a free appointment or find out more please contact us. See back cover for contact details.
