Pin this game up on your bulletin board at work, or in a club you're a member of, and encourage your friends and colleagues to guess where the daffodil bulb is planted. If enough people play and fill up your whole garden, you'd raise £80 which could help fund three calls to our Support Line.

How to play

1. Take a moment to read through and complete the relevant areas of the terms and conditions.
2. Pick a winning square and keep it a secret.
3. Encourage your friends, family and colleagues to take part, donating £2 per guess, which they can donate direct to your JustGiving page.
4. Once the sweepstake is completed, reveal the winner and present their prize.
5. If no one selected the winning square, you can split a prize between those who guessed the nearest square/squares.
6. Prize ideas – well that's up to you but you don't need to spend a fortune, you could get a nice box of chocolates or bottle of wine for the winner.
