

A to Z of school fundraising ideas

**Get the whole school
together to raise
money for the Great
Daffodil Appeal!**

Care and support
through terminal illness

The Great Daffodil Appeal is Marie Curie's biggest fundraising campaign. All across the UK, people will be doing their bit to make sure our nurses can be there for families when someone they love is dying. We'd love your school to join us.

Raising money to support the Great Daffodil Appeal at your school is as simple as ABC! Just pick your activity, get the teachers and pupils together and have a great time for a great cause.

Organising your fundraiser

1 Pick an idea

This guide is full of suggestions to help you get started. Of course, if nothing here takes your fancy, feel free to come up with an idea of your own.

2 Plan your activity

Even the simplest activities need some planning and preparation so the earlier you get started, the better. Location is an important thing to consider.

For example, do you need to invite parents or stock up on supplies?

3 Promote the event

Once you've sorted out the details, think about how you'll get the most people involved and who can help you spread the word.

4 Pay in your money

When the money's all collected, it's time to tally up your total.
