Section 5 - medical declaration form - private and confidential

Please read these notes carefully before you complete this form.

Activity level: Tough

All potential participants on our Overseas Challenge events are required to complete a medical form. A signed medical form does not automatically guarantee your place on the challenge.

Dedicated personnel will look at the forms and may forward details to the event provider's medical advisor for advice – all information will be treated as STRICTLY CONFIDENTIAL.

The information in this form will be supplied to the tour manager and medical advisor accompanying the event so they are fully aware of any medical conditions you may have. You may be required to complete a new form if you develop any new medical conditions. Details of your medical history are strictly confidential and the forms will be destroyed after the event.

The event in which you will be participating will require an excellent level of fitness, strength and endurance. It is your responsibility to ensure that you have the appropriate level of fitness.

There will be trained medical personnel, with first aid supplies, with the group at all times. They will administer first aid if and when required. Please note, routes may be away from main cities and hospitals (at which medical facilities may be inferior to those in the UK).

If you develop any NEW medical conditions or experience worsening of existing conditions after completing this form, you MUST inform the treks and cycles team at Marie Curie or complete and submit a new form.

If you will be aged 60 or older during the event OR if you have a pre-existing medical condition, or you have answered yes to any of the following questions below, you MUST download the form and ask your doctor to sign the form, confirming that you are fit to undertake this challenge. Until we receive the form with your doctor's signature we cannot fully process your registration nor guarantee your place on the event.

If you, or your doctor, have any medical queries you would like to discuss with the tour provider's medical advisor, please contact the treks and cycles team and they will be happy to arrange this.

Marie Curie's Terms and Conditions of Entry

These are the Terms and Conditions of Marie Curie. The event is organised by The Ultimate Travel Company and their Terms and Conditions should be read in conjunction with those set out below. It is a condition that all participants comply with both Marie Curie's and the terms and conditions of The Ultimate Travel Company's Terms and Conditions. This will form the contract between us and the term of the contract will last from the date of your application until 3 months after the event.

1. To take part in this event you must be 18 or over on the date of departure.
2. Your passport must have at least six months' validity from the date you return to the UK. It is your responsibility to apply for a visa, unless otherwise stated, before the event and at your own expense. It is also your responsibility to provide us with your passport number and expiry date.
3. You participate at your own risk. If you are refused passage and/or entry/exit to or from any of the countries, any additional costs incurred are your responsibility.
4. You are responsible for making your own travel arrangements, unless otherwise stated, to and from the departure/return points in the UK.
5. For this challenge we require a registration fee, as stated in the event brochure, which should be enclosed with this registration form. Unless the event is cancelled by Marie Curie, this fee is non-refundable once you have been accepted on the event.
6. By registering on this challenge you are pledging to raise the minimum sponsorship stated in the event brochure and understand that it is the aim of this challenge to raise as much above this amount as possible in aid of Marie Curie.
7. It is a requirement that you must provide and wear a suitable helmet at all times whilst on a cycling challenge in aid of Marie Curie.
8. We reserve the right to increase the price of your travel arrangements to allow for variations in transportation costs (including the cost of fuel); dues, taxes or fees chargeable for services such as landing taxes and fees at airports and the exchange rate applicable to your travel arrangements. No price increase will be made within 30 days of your departure date and in any event, we will absorb any increase which equals two per cent or less of the cost of your travel.
9. The registration fee and all sponsorship money should be made payable to Marie Curie Trading Ltd. Under no circumstances can money be raised for another charity or organisation.
10. Stage one payment is due 11 weeks prior to departure; you are required to have banked an amount equal to 80 per cent of the minimum sponsorship requirement (excluding the registration fee). The exact amount required will be confirmed in your Welcome Pack.
11. If you have not raised the required amount by the stage one payment deadline then your place will be forfeited unless you advance the balance yourself. A personal advance can only be made in accordance with the conditions below.
12. A personal advance is made when a refund is intended. Refunding of the advance will only be made after the event's minimum sponsorship target has been reached (excluding the amount advanced and registration fee). It must be processed on a Personal Advance Form (whether the payment is made by cash, cheque or credit card) and submitted to Marie Curie. You must not bank the balance on your event Pay In Slips if you want your Personal Advance refunded - refunds can only be offered when a Personal Advance Form is completed and received by Marie Curie with payment. If an advance is made by a third party on your behalf any refund must be made to them and not you.
13. The refund will not be made later than four weeks after the return date of the event. You will need to request a refund of your personal payment in writing. It cannot be done automatically. Please note your refund will be processed within 21 days. If the minimum sponsorship has not been reached then the amount refunded will be adjusted accordingly to ensure the charity retains the minimum sponsorship amount. Only one advance refund can be made, even if further sponsorship is submitted after the four week post event stage.
14. If you have registered as a fundraising team leader you understand and accept that should a member of your team withdraw before the stage one payment deadline they can be replaced by a new member provided the new member pays the full registration fee. After the stage one payment deadline no replacement members can be added.
15. If you have registered as a fundraising team leader and a member(s) of your team withdraws after the stage one payment deadline the minimum amount of sponsorship that must be raised by the remaining members will not be reduced i.e. the team must still raise the minimum sponsorship of the withdrawing member(s).
16. If you withdraw from the event after the stage one payment deadline then you will still be liable to pay at least the amount due as stated on your booking form whatever the circumstances of your withdrawal.
17. Stage two payment is due four weeks after the date of your return to the UK. You are required to bank the remaining sponsorship, at least up to the minimum sponsorship requirement. The exact amount required will be confirmed in your Welcome Pack.
18. Should you have to withdraw at any time, all sponsorship forms and other materials should be returned to Marie Curie. If your sponsors wish for a refund of their sponsorship money, they are asked to apply in writing to Marie Curie.
19. If you withdraw in circumstances where recovery of cancellation charges is indemnified under your travel insurance policy, you agree that you will co-operate in the recovery of these charges from the insurers and any sums recovered under the policy will be paid to Marie Curie. If the insurance company does not recognise your claim, you will be responsible for covering any cancellation charges borne by the charity.
20. If you withdraw from the event after the stage one payment deadline then the costs incurred will be deducted from the sponsorship received prior to any direct refund to your sponsors which will be made on a pro-rata basis. If a personal advance has been made this will not be refunded unless covered by insurance. If the withdrawal was for a reason covered by insurance it is the responsibility of the participant to make the appropriate claim in favour of Marie Curie without delay.
21. If the tour operator cancels your travel arrangements, any refunds will be paid to you via the charity.
22. Of the money raised, around 50 per cent of the minimum sponsorship will be used to cover the costs of your transportation, accommodation, food, guides and back-up team.
23. You agree to raise all money using legal methods and complying with the fundraising pack, being mindful of any vulnerability when asking for donations. We may contact you by telephone in the course of this contract for monitoring purposes.
24. Sponsorship money raised for one named event cannot subsequently be used against another event, even if the minimum sponsorship for the first event has been exceeded, subject to the following exceptions: (i) In all circumstances the sponsors must be informed and must consent to the sponsorship money they have pledged or given for the first event being transferred to the second event. (ii) Should an event be cancelled or a participant be unable to take part and produce to Marie Curie a doctor's certificate justifying withdrawal from the first event, money pledged or given towards that event may be transferred to another event. (iii) From the time of transfer all subsequent sponsorship must be for the second event. (iv) No money will be repaid to the participant.
25. You are responsible for ensuring you have travel insurance which covers you for a trip of this nature. Without this you will not be able to travel. It is your responsibility to check that your insurance cover is adequate.
26. Ultimate Travel Company specialises in charity challenges of this nature and is fully covered by ATOL Licence Number 5111. The Ultimate Travel Company and Marie Curie are unable to accept liability for any loss or damage, however arising, or for cancellation of the event for any reasons outside their control. For packages that do not include air travel, travel arrangements made by Ultimate Travel Company which include accommodation are fully protected under the company's Total Payment Protection (TOPP). This complies with the requirements of Regulations 16-21 of the Package Travel Regulations.
27. You understand and accept that itineraries, schedules and accommodation may change and other alterations may occur which are beyond the control of The Ultimate Travel Company or Marie Curie.
28. Marie Curie shall not be liable for any injury, illness or death of any person or persons nor loss of or damage to any property nor for any indirect or consequential loss however arising other than for injury, illness or death arising as a direct result of any negligent act or omission of Marie Curie, its servants, agents or employees acting in the course of their employment.
29. Marie Curie may at its sole discretion change routes or withdraw places on the challenge event if it is believed to be in its best interest to do so.
30. If you do anything to void your insurance, including not declaring a pre-existing medical condition, you are fully responsible for paying any and all associated costs including travel and accommodation to and from the departure/arrival point in the UK.
31. By signing this form you also acknowledge that photographs and written quotations may be taken of you during the event and used to publicise future events and the work of the charity in general.

I agree to abide by the terms and conditions of entry as detailed above. By signing this form I acknowledge that I have read, understood and accepted the conditions of contract set out by The Ultimate Travel Company and Marie Curie in this document.

The Ultimate Travel Company's Terms and Conditions for charity events

Ultimate Travel Company (UTC) of 27 Vanston Place, London, SW6 1AZ
Atol:5111

These are the terms and conditions of the Tour Operator which apply to those who are advised by the charity or the trading company of the charity, known hereinafter as "the charity", that they will be participating in the fundraising event. Please refer to the charity's own terms and conditions regarding your sponsorship and eligibility to travel. Only those potential participants who qualify under the charity's rules will be entitled to travel. For those selected to travel, then the following conditions will apply:

1. YOUR CONTRACT WITH THE TOUR OPERATOR

If you are selected to take part in the fundraising event, we will be advised of your details by the charity. Your contract for travel, accommodation and other services ("your travel arrangements") will be with us, the Tour Operator. If you are selected then we will confirm our contractual commitment to you by sending to you a confirmation invoice, together with the details of your travel arrangements and the itinerary that we have agreed to provide. It is only then that these terms and conditions will apply and a contract will exist between us, which is governed by English laws and the exclusive jurisdiction of the English Courts. Travel arrangements made by us which include

- (i) Flight and accommodation are fully protected under the company's ATOL Licence Number arranged with the Civil Aviation Authority (CAA).
- or
- (ii) Ferry and accommodation are fully protected under the company's Travel Organiser Failure Cover (TOFC). This complies with the requirements of Regulations 16-21 of the Package Travel Regulations. Payment for your travel arrangements will be made to us by the charity from the sponsorship it has received in accordance with the charity's terms for participating in the fundraising event.

2. THE PRICE OF YOUR TOUR

- (i) The cost of your participation in the fundraising event forms a part of the overall value of the sponsorship raised by you and received by the charity. From those sums received by the charity, the charity will pay to us the cost of your travel arrangements that we are agreeing to provide.
- (ii) We reserve the right to increase the price of your travel arrangements to allow for variations in transportation costs (including the cost of fuel); dues, taxes or fees chargeable for services such as landing taxes and fees at airports and the exchange rate applicable to your travel arrangements. No price increase will be made within 30 days of your departure date and in any event, we will absorb any increase which equals 2% or less of the cost of your travel arrangements.

3. HEALTH, SAFETY & FITNESS AND YOUR INSURANCE COVER

The charitable event in which you will be participating is challenging and will require a good level of fitness, strength and endurance and it is your responsibility to ensure that you have the appropriate level. You will be requested to fill out a detailed medical form, which you should complete truthfully. If you are in any doubt of your fitness you should check with your doctor to ensure that you are sufficiently fit, healthy and mobile to participate in the event. You should take into account that medical and other facilities, particularly for those with any illness or infirmity, at your destination are likely to be inferior to those in the United Kingdom. Accordingly it is a compulsory term of travel that you take out travel insurance to cover any health or injury problems that arise and, if necessary, to arrange for your repatriation to the United Kingdom. You should also advise your insurer of any pre-existing medical condition before travel. Failure to advise this may invalidate your insurance cover.

4. CANCELLATION

- (i) If you cancel your travel arrangements, then there will be no refund payable to you as your sponsorship was raised for charitable purposes. Any balance of the sum paid to us by the charity for your travel arrangements, after deduction of cancellation charges, which have been agreed with the charity, will be repaid to the charity.
- (ii) Similarly, if we cancel your travel arrangements any refunds or compensation will be paid to the charity.
- (iii) If cancellation occurs in circumstances where recovery of cancellation charges is indemnified under your travel insurance, you hereby agree that you will co-operate in the recovery of these charges from the insurers and any sums recovered under the policy will again be paid over to the charity.
- (iv) If cancellation occurs due to unusual and unforeseeable circumstances beyond our control, such as national emergency, natural disaster, fire, bad weather, flight or ferry delays or other such events (acts of force majeure), then we will advise you as soon as it is reasonable to do so.

5. DESTINATION SAFETY AND FORCE MAJEURE

Your personal safety during the charitable event is of fundamental importance to us and whilst we will carefully monitor the safety of your destination, the Foreign and Commonwealth Office do offer a travellers advice line, the details of which are 0207008 0232 or online www.fco.gov.uk/. You should ensure that you are kept informed of the latest FCO advice.

6. ALTERATIONS BY THE TOUR OPERATOR

- (i) The Tour Operator and its supplier of flight, ferry, accommodation and land arrangements shall be entitled to change the details of your travel arrangements and itinerary. If a change is significant you will be advised as soon as possible and you will be entitled to:-

- (ii) Cancel your participation in the event, in which case you agree that the cost of your travel arrangements will be repaid by us to the charity and you will have no entitlement to such sums; or
- (iii) Agree to proceed with the revised arrangements for the Event

7. STANDARD AND QUALITY OF ACCOMMODATION AND SERVICES

You should not have unreasonable expectations of the facilities that will be provided which in some remote areas and some destinations may be below what you might expect at home. The level of the standard and quality of your travel arrangements will be in line with the itinerary and any literature you receive from us.

8. LIABILITY

- (i) We accept responsibility for ensuring that your travel arrangements will be as described in literature produced by us, or on our behalf, in our Confirmation Invoice and with the itinerary and that the services we are contractually obliged to provide are to a reasonable standard. If in the reasonable opinion of the charity any part of your travel arrangements is not provided as promised we will pay appropriate compensation if this has affected the quality or structure of your travel arrangements. We accept responsibility for the acts and/or omissions of our employees, agents and suppliers (except for claims for death, injury or illness – see below).
- (ii) The Tour Operator accepts responsibility for death, injury or illness caused by negligent acts and/or omissions of us, our employees, agents, suppliers and sub-contractors whilst acting within the scope of, or in the course of their employment in the provision of any part of your travel arrangements in the itinerary, that we are contractually obliged to provide. We will, accordingly, pay to an affected participant such damages as might have been awarded in such circumstances under English law. However, damages are not payable where any failure to perform the contract is due neither to any fault on our part or a supplier of any part of your travel arrangements or is attributable to you or unforeseen or unavoidable actions of a third party unconnected with the provision of your travel arrangements or unusual and unforeseeable circumstances beyond our control or an event which could not have been foreseen even if all due care had been exercised.
- (iii) In respect of carriage by air, sea and rail and the provision of accommodation, the amount of compensation the Tour Operator may be obliged to pay will be limited in the manner provided by the relevant International Convention. Carriage by air is subject to the carriers conditions of carriage. In particular drunkenness or rowdy behaviour may lead to the airline refusing carriage when alternative flights may have to be arranged at your own cost.

9. ACCEPTANCE OF RISK

Your booking is accepted on the understanding that:

- (i) You are aware that this is an adventure trip, in addition to the usual dangers and risks, some of which may include physical exertion for which you may not be prepared. Weather extremes. Remoteness from normal medical services.
- (ii) You acknowledge that the enjoyment and excitement of adventure travel is derived in part from the inherent risk incurred by travelling and undertaking activities beyond the levels of safety normal at home or work, and these inherent risk contribute to such enjoyment and excitement, being a reason for your participation.
- (iii) Your knowledge that the nature of this type of trip requires considerable flexibility and you must allow for alterations, changes to routes, schedules, transport etc. The outline itinerary for this trip is an indication of what the group may accomplish, and does not form a contractual obligation on the part of UTC. No refunds will be given for services not utilised.

10. FLIGHTS

Applicable only to challenges which include flight arrangements as part of the package:

- (a) DELAYS
Most flights will be arranged with scheduled airlines which will usually provide refreshments, meals or accommodation where there is any substantial flight delay and when this is possible to arrange. The Tour Operator will not arrange these facilities if there is a delay at the outward or homeward points of departure if not offered by the airline or ferry company.
- (b) FLIGHT CHANGES
Airlines may have to change aircraft without advance warning. You are asked to check carefully departure and check in times on your documentation when received to ensure that you arrive at the airport in sufficient time.

11. PASSPORTS AND VISAS AND HEALTH

You will be advised separately of any passports or visa requirements and any compulsory health requirements to enable you to participate in your travel arrangements. Please note that you will require a full British passport with at least 6 months unexpired at the date of return travel. For EC and other passport holders please contact the Tour Operator for special requirements.

12. MISCELLANEOUS

This contract is governed by English law and the exclusive jurisdiction of the English Courts.
