

Sweepstake

Find my missing keys

I'm beating the trails to raise money for Marie Curie. On one of my practice walks I lost my car keys. They could be anywhere by now... up a mountain, lost at sea, in the city. Can you help me find them?

To enter, donate £2 and write your name next to your chosen square below. Whoever guesses the correct square will win a prize!

Picture this, you've been out training ahead of your trail and you've lost your car keys. They could be anywhere by now... up a mountain, lost at sea, in the city. Invite your friends, family and colleagues to help you find them by donating £2 to guess where the keys went missing!

How to play

1. Download and print your sweepstake game.
2. Take a moment to read through and complete the relevant areas of the terms and conditions.
3. Pick a winning square and keep it a secret, maybe write it down and lock it away or seal it in an envelope.
4. Encourage your friends, family and colleagues to take part, donating £2 per guess, which they can donate direct to your justgiving page or which can be collected.
5. Once the sweepstake is completed, reveal the winner and present their prize.
6. If by the time you come to reveal the winning square, not every square has been picked, you can split a prize between those who guess the nearest square/squares.
7. Prize ideas - well that's up to you but you don't need to spend a fortune, you could get a nice box of chocolates or bottle of wine for the winner.
