How it works

We hope you'll enjoy using this sweepstake kit. If you do, we'd be really grateful if you (or your group) make a donation to Marie Curie. Many supporters choose to donate half of the winning amount, but it's entirely up to you and you're not obliged to donate. To say thanks for donating, and show you our appreciation for your support, we'll send you a special certificate that you can hang up in your office or home with pride.

If you have any questions about using this kit, just get in touch. We'll be happy to help. Simply email goodwaystowin@mariecurie.org.uk

This kit will help you run a sweepstake in the workplace (as a 'work lottery') or in a residential setting (as a 'resident's lottery'). All the money you collect from entries must be paid out in prizes, or used to cover expenses.
