## GOOD WAYS TO COLL

### SWEEPSTAKES

Run your own DIY Super Sweepstake. Get creative and help support Marie Curie Nurses be there for people living with a terminal illness, and their families.

### How it works

We hope you'll enjoy using this **sweepstake kit**. If you do, we'd be really grateful if you (or your group) chose to make a donation to Marie Curie. Many supporters choose to **donate half of the winning amount.** 

If you do choose to make a donation, thank you! We'd love to send you a special certificate after making your payment. Email us at **goodwaystowin@mariecurie.org.uk** and we'll send you a super certificate.

If you have any questions about using this kit, simply email goodwaystowin@mariecurie.org.uk. We'll be happy to help.

There is no limit to the amount of sweepstakes you can run. Simply print out as many copies of the poster and team sheet as you need!

This kit will help you run a sweepstake in the workplace (as a 'work lottery') or in a residential setting (as a 'resident's lottery'). These types of lotteries cannot be used to raise funds and are intended to be just for fun. All the money you collect from entries must be paid out in prizes, or used to cover expenses.

### The winner can choose to donate half of their winning prize pot to Marie Curie!

### Suggested donation\*

You can donate your winnings to the Marie Curie Donation Page: mariecurie.org.uk/sweepstakes

You can also e-mail us at goodwaystowin@mariecurie. org.uk to receive any future sweepstake kits.

\* Suggested donation is £5 per kit; and half the prize pot. Marie Curie, registered in England and Wales with Charity Reg No. 207994 and in Scotland with Charity Reg No. SC038731
